Dear Sir / Madam

Description	Supply of coal to Tutuka Power Station
Request for RFP	GEN 3314
Power Station	Tutuka Power Station

We refer to RFP Number GEN 3314 in response to which you have submitted your tender. The tender validity is due to expire on 18 January 2022.

In light of the country's changing energy landscape, Eskom is conducting a review of its future energy production mix to determine the long-term coal requirements for its fleet of coal fired power stations.

Due to these unforeseen circumstances, the conclusion of the evaluation process is taking longer than originally envisaged. As a result, we request your confirmation:

1. of extending the tender validity of your offer to **18 January 2023**, and
2. that the price/s will remain the same.

Your co-operation is appreciated.

Yours sincerely

Precious Edward-Pesha
